Elly:

Please see the statement from Chairman Lee yesterday regarding CID funding of the Multi Use Bridge.

"The Cumberland CID has been transforming our community for the better for more than two decades. I am grateful to the CID Board and staff, under the leadership of Tad Leithead, for their forward thinking, bold actions. The multi- use bridge will connect two major commercial centers in the Cumberland CID and Cobb County. It will enhance the vibrancy of this area. But most importantly this is a big, huge public safety issue and the proposed bridge will provide safe pedestrian access for the tens of thousands of people who already visit, live, work and play in this area."

Sincerely,

Hi Sheri – thanks for speaking with me on the phone.

As I mentioned, I'm going to get a statement from Chairman Tim Lee about the CID voting to provide \$5 million for the pedestrian bridge. I know chairman Lee last year said the bridge project would be unlikely to be open by April 2017 when SunTrust Park opens. Is this expected to change because of the funding? I also wanted to know how much the construction of the bridge is expected to cost. My deadline is 2:30 pm.

Thank you very much,

Elly
